Hello Julie a My names Ned your Potential Gig Buddys!

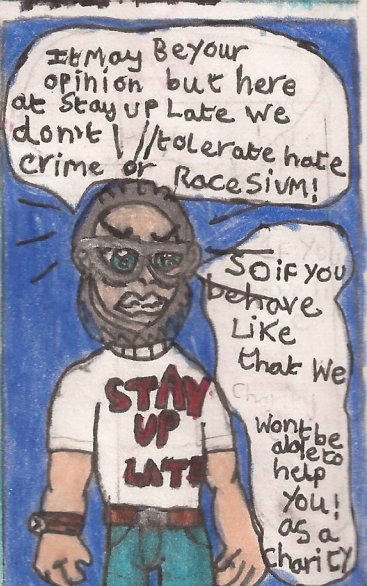

HAY! Julie that wasnt Very Nice I dont think you should be saying things like that it's Hate Crime Not to Mention Racisiam

DAVE'S right that's not very nice at all. I think you should Apologise!

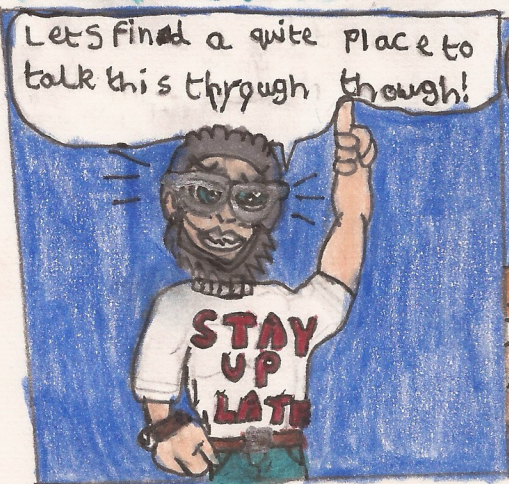

Why it's MY F\*\*\*\*\*! ZOPINION I'll say what I like!

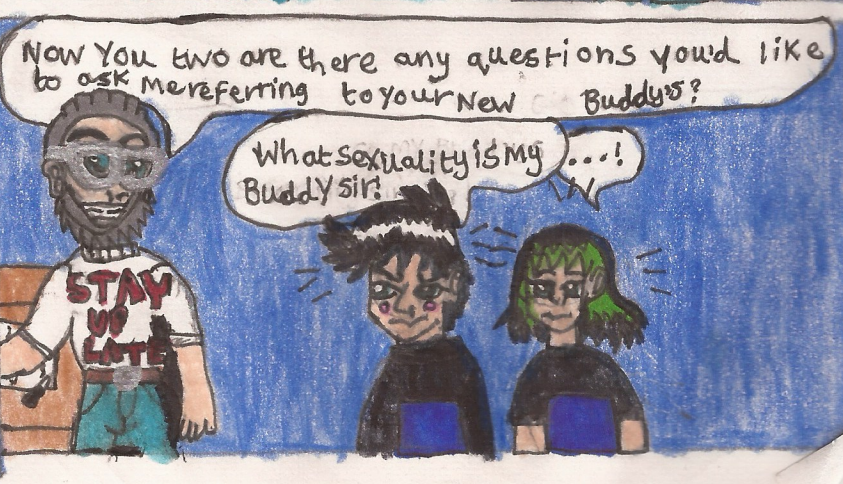

It may Beyour opinion but here at Stay up Late we dont //tolerate hate crime or Racisim!

So if you behave Like that We wont be able to help you! as a Charity!

Lets find a quite place to talk this through though!

Now You two are there any questions you'd like to ask me referring to your New Buddys?

What sexuality is my Buddy sir?

He's Gay  
 Dave which  
 is nothing to  
 worry about. He  
 just prefers male  
 company to  
 female. But  
 when he meets  
 females, he's  
 perfectly...

Friendly  
 and respects  
 them just  
 the same

OH!

Now Julie,  
 as for that  
 outburst  
 in there,  
 which  
 we don't  
 tolerate  
 what  
 do you  
 think of  
 me, oh?

I am sorry  
 about that sir, I just  
 had one of my outbursts  
 I can't control it like.  
 I think she is lovely.  
 once I got to know her,  
 we're not so different I  
 presume that she likes  
 the same thing as me.

That's  
 the way to  
 think Julie  
 well done.  
 I suppose  
 you  
 better  
 say sorry  
 to her though  
 for that out  
 burst of Pow  
 Hate.

I agree  
 with you  
 sir, I'll do  
 that right  
 now!

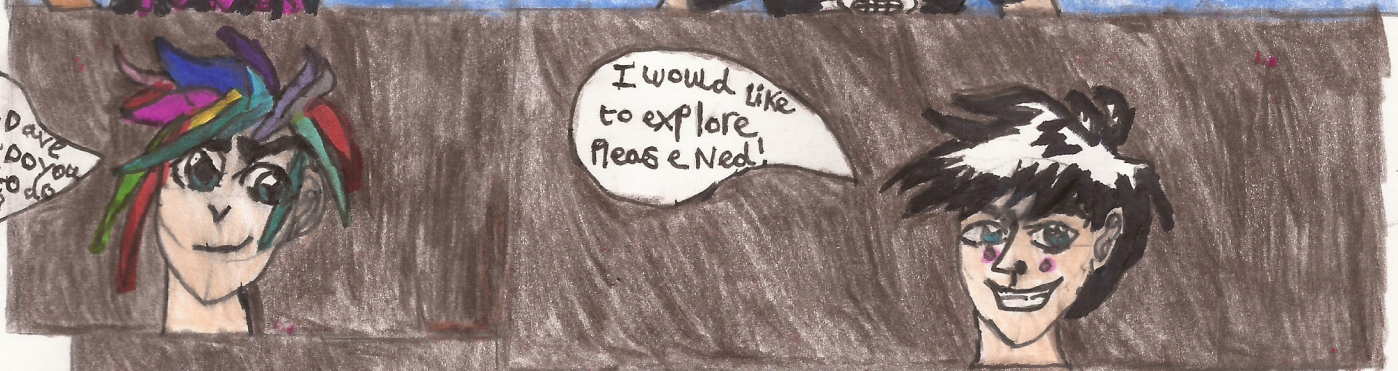

Hi Megan

offence taken
